## Dear Friends and Supporters,

Thank you for considering the opportunity to publicly support Outer Cape Health Services with a Lobsterfest sponsorship in 2019. Your community-minded philanthropy truly matters and is as vital as the services we provide.

All event proceeds support essential healthcare programs and services provided year-round by Outer Cape Health Services. Sponsorships help to ensure that Lobsterfest will be as successful and impactful as possible. As a federally qualified community health center, we deliver a great deal of services to the community. Your philanthropic partnership is essential in these efforts to raise operating revenues to sustain and grow the organization.

From Yarmouth/Dennis to Provincetown, OCHS cares annually for some 17,000 patients from all walks of life. We deliver quality, comprehensive and integrated primary and specialty care, regardless of one's ability to pay. The strength of our service region is defined in part by reliable access to high-quality healthcare and the partnerships and collaborations fostered in caring for the community.

Thank you for your part in caring for the community and OCHS.

With gratitude,  
Kathleen Weiner, CFRE  
Chief Development Officer
